

Day One

Volunteer for the Helpline

Every 68 seconds, someone is sexually assaulted in the US.

Do you want to make a difference?

Volunteer advocates provide support, information, referrals and safety planning to survivors of sexual violence, domestic violence, and hate crimes at hospitals throughout RI.

Our 20-hour training will provide you with the skills, knowledge, and confidence to work with victims of all ages.

Bi-lingual candidates and those able to work with diverse populations are strongly encouraged to apply.

Volunteers must be at least 18 years old, have a valid license and car, pass a criminal background check, and attend all 20 hours of training.
